

Greetings!

Glenn Taylor, here, from 'The Kootz'-band:  
Here is our Electronic Press Kit (EPK): We hope you enjoy it!

### KOOTZ-BIO / INFO:

For twenty-years (and still going-strong); 'The Kootz'-band has accrued a time-tested, experienced track-record, delivering a 'musical-menu' of Classic 60s-thru-90s' pop, rock, r&b and blues-music. Clients include private & corporate events, municipal venues: (concerts, street-fairs, fireworks, town-pools, etc.), restaurants, wineries, breweries, racetracks, minor-league baseball teams and more, covering the tri-state area and beyond, including NJ, NY, Connecticut, Pennsylvania and New England...

Overall, we perform 280+ shows annually. The band was also featured TWICE on News-12's 'Spotlight-New Jersey' program (see below)! Our current newsletter/mailling-list membership is twenty-five-thousand-plus. We also maintain 5,000+ followers on Social Media platforms! 7,500 copies of our 2 commercially-available CDs have been sold. 'The Kootz' were also voted 'best band' overall, by 'Meet-Up' of New Jersey this-past year!

Some helpful 'facts' about us...

- We are a 4/5-piece group, performing 'family-friendly'-classic thru modern pop / rock-music genres;
- Our lineup is VERY interactive, engaging our audience, encouraging-them to feel "part of the show"!
- We've cultivated a solid fan-base in the area, from the above-mentioned venues and municipalities.
- We encourage any of our bookings as 'fan-destinations', in addition to 'The Kootz' being the attraction.
- The band markets ALL Shows intensely and have a weekly email-recipient list of over 25,000+.
- 'The Kootz' have over 5K+ following us on Social Media as well!

In 'The Garden State'-alone, there is a devoted-band-following in Essex, Morris, Passaic, Bergen, Union, Sussex, Middlesex, Monmouth, Ocean and Mercer-counties... We've drawn healthy crowds consistently! This has translated into 'good press' for us; and could do the same for any hosting-venue. One example of that 'coverage ' is viewable in the form of a feature-article that ran on the front-page of The Sunday Record's 'Entertainment'-section, detailing the longevity of 'The Kootz'!
